

Gravestone and Inscription Enquiries – St. Mary’s Parish Church, Haddington.

The following extra service is also now available by appointment only. Much more **extensive newer updated Indexes, full gravestone inscriptions (with latest updates), churchyard plans and other information etc.** are available directly from me than are available on the website or elsewhere. If no appointment is made I will not be available at the church. To make an appointment please preferably use e-mail or phone me. [Those in the United Kingdom can use normal post but please enclose a Stamped Addressed Envelope for a reply.]

Service (1) During Summer Months only – 1st May to 30th September inclusive, but only on Wednesdays from 11.00 am to 4.00 pm at St Mary’s Parish Church. Please make an appointment first by contacting –
